APRIL 2020 UPDATE  
"Stay Safe"

## TO OUR COMMUNITY

It is important for us to come together as a community and support one another during this challenging time. Together, we will overcome this pandemic. Please do not hesitate to contact us if you need any assistance. Stay home, stay healthy and stay safe.

We have been notified by a member in our community that has tested positive with COVID-19 (coronavirus). The member is doing well and recovering.

Please be diligent! Continue to protect yourself and others by:

- Washing your hands often with soap and water for at least 20 seconds.  
If soap and water are not available, use an alcohol-based hand sanitizer.
- Avoid touching your eyes, nose and mouth with unwashed hands.
- Avoid close contact with people who are sick.
- Stay home if you are sick, except to get medical care.  
[Learn what to do if you are sick](#)
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean and disinfect [frequently touched surfaces](#) and objects.
- Social Distancing, avoid large gatherings and stay 6 ft away from another person.  
This is important for [people who are at higher risk of getting very sick](#).

If you have symptoms such as a fever, cough, it is recommended that you self-isolate at home and monitor your symptoms. If your symptoms should worsen, call your doctor. For more information, visit: <https://covid19.nj.gov/>
