### MEMBERSHIP

"When we began our school year in September, I never imagined how different our lives would become due to the global pandemic. It has been extremely challenging for all of us here at CCCNJ, parents, kids, teachers, and admin team. To be honest, I have had to exercise self care like never before, for mental as well as physical well being. I am grateful for all your support and appreciation. Remember all the positives and together we will journey through this." - **Principal's message**
